Old Business

Future meetings will be held in San Rafael at the Quail Hill clubhouse.

We are not disbanding. The enticement worked, John will stay. Dick and John noted we might be able to attract some new members from the area of Marin. We will have access to the Quail Hill clubhouse, which does not require advance reservations for casual use. If the clubhouse happens to be in use we will adjourn to Dick's living room. There is plenty of parking - 25 stalls. It is a gated community. To enter use the code 71717. If you are unable to attend the meeting contact Dick at 415-492-8982 (I'm not sure if that is the club house phone # or Dick's)

We did not have a Vice President. David volunteered for the position once he found out all you have to do is make sure all members are in good standing and to fill in for the President when he is out.
